

Autograph Co-Author Douglas Butler

Will be in Nova Scotia offering full
day sessions April 17th & 18th

FOTAL Educational Consulting Ltd. would like to
invite faculty members/consultants/mentors/lead
teachers to attend a complimentary 1 day workshop.

Session participants will be introduced to web resources and dynamic software that can be used to help student to visualize topics in Secondary & Post Secondary Mathematics. Participants will take away an understanding of how Autograph can enhance the teaching/learning and how it can be integrated effectively into teaching practices.

Version 3.2 of Autograph will be used, a demo will be available for the French interface.

Date: April 17th -or- April 18th

Location: Dartmouth Teachers Centre, Dartmouth Nova Scotia

Times: 9am-3:30 pm (morning break provided)

Please RSVP to fotal@fotal.ca

Include: Attendees names & email addresses, as well as which
date they will be attending.

DOUGLAS BUTLER
Director, iCT Training Centre,
Oundle School, UK
and co-author of Autograph 3
